Introduction to the City of Vaughan Archives' Finding Aid

The purpose of the City of Vaughan Archives Finding Aid is to provide access to a given body of records by representing those external and internal components of a fonds and its constituent parts brought to light during the analysis of the fonds' characteristics (i.e. during arrangement). A fonds is defined as the totality of records or papers created and/or accumulated and used by an individual, family, or corporate body throughout their existence. The external structure of a fonds consists of contextual information relating to the record creator (i.e. the person, family or corporate body chiefly responsible for the creation and/or accumulation and use of a fonds), that is to say, information relating to the history, organization, functions and activities of a records creator that give shape to the fonds. The internal structure of the fonds is concerned with the latter's documentary nature, or with the actual records themselves: their arrangement, organization, classification, documentary form, etc. The reason for providing data about the external and internal nature of a fonds is to ensure that records can be seen in the context of their creation and so that they can be associated with the actions which brought them into existence in order for them to act as evidence of said actions.

Fonds may have a number of components. In terms of the concept of agent of creation (i.e. the person, family or corporate body responsible for the creation and/or accumulation and use of the fonds), a fonds may be divided into sous-fonds, which represent subordinate record-creating agencies (departments, bureaus, etc.) under the jurisdiction of the larger administrative body responsible for the creation of the fonds as a whole. For example, the fonds of the Vaughan Township Office of the Clerk-Treasurer, the Treasure Branch and General Administration Branch are the constituent sous-fonds. The actual records constituting a fonds (i.e. internal structure of a fonds) are grouped into bodies of like documents called series, with a series being an aggregate of records deriving unity from some common relationship arising out of the records' creation, receipt and use, and relating to the functions and or activities of the records' creator. Series in turn may be further divided into subseries, or even sub-subseries, these being naturally-defined subdivisions of series formed on the basis of a common feature such as documentary form, subject, arrangement in accordance with a filing system (chronological, alphabetical, subject, etc.), etc.

The format utilized to represent the part-to-whole structure of the fonds described in this Finding Aid is based on the Canadian data content standard Rules for Archival Description (RAD). All formal descriptions (i.e. those descriptions above the file level in the Finding Aid) are compiled in accordance with the guidelines outlined in RAD. Lists of files and items are presented as appendixes in the descriptive inventory, without regard to RAD.

Photocopying of documents in the City of Vaughan fonds is permitted except where documents fall under the personal information and privacy provisions of the Municipal Freedom of Information and Protection of Privacy Act. In such instances, the researcher is referred to the City Archivist for specific access procedures.

Part 1: Fonds Level Description

Jim Cameron Fonds (MG 31)

Date(s) of creation of record(s)	1934-2001 Predominant 1950-1990
Physical Description	<ul style="list-style-type: none">• ca. 25 m of textual records• ca. 40 photographs• 2 photograph albums• 5 postcards• ca. 315 maps
Biography/History	<p>Born in Ottawa on Christmas Day, 1942 to James Roberts Cameron and Margaret Elson (McIntyre) Jardine, Jim Cameron later lived in Maple and then Kleinburg. After completing his Ph.D. at the University of Glasgow in 1970 (and writing a thesis which detailed the factors that directed Scottish emigration to Upper Canada in the 1850s), Jim taught urban studies at Atkinson College, York University from 1971-1998. He was a decorated graduate of Lawrence Park Collegiate in Toronto and he published <i>Good For What Ails You</i>, a compilation of self-help remedies from early Canada, as well as <i>The Canadian Beaver Book</i>, a compendium of fact and lore about Canada's national animal. He served from 1973 to 1988 as a councilor in the town (now city) of Vaughan. From 1989 to 1994 he served as Hydro Commissioner and from 1995 to 1997 he was appointed to the Vaughan Hydro-Electric Commission Committee. Jim Cameron died peacefully at his home in Kincardine, Ontario on Thursday, Sept. 11, 2008.</p>
Custodial History	<p>The Jim Cameron fonds grew out of the former's fascination with the development of Vaughan. The material constituting this body of records was used by Jim throughout his academic career – for teaching and/or research purposes – and for his political career as a councilor of Vaughan. Portions of the fonds were slowly donated by Jim over time. Accessions that comprise MG 31 are: M999.5, M999.7, M003.2, and M004.2. The fonds was arranged and described between October 2009 and March 2010.</p>
Scope and Content	<p>The Jim Cameron fonds spans the years 1934 to 2001 with the majority of the records originating from 1950 to 1990. The fonds reflects the different roles that Jim Cameron played throughout his life as well as the various activities and functions he performed in both his academic and political careers. As a professor of urban studies, Jim's primary research interest lay in the planning and development of Vaughan and the surrounding area, which included Toronto and the GTA, as well as many communities and cities throughout Ontario and even across Canada and the world. Specific Vaughan topics within</p>

the fonds include the Maple dump, the Maple theme park, the Woodbridge annexation, and the building of the Vaughan industrial park, to name but a few. Moreover, official plans and studies for Thornhill, Maple, Kleinburg, Nashville, and Woodbridge provide invaluable evidence as to the evolutionary development of these communities. Thus, the fonds is one of the most comprehensive and finest collections of non-government information relating to the evolution of the Vaughan community during the post WWII era.

Notes

The majority of the records are textual (i.e. plans, reports, studies, correspondence, published materials, essays, newspapers) although there is also a sizable map collection as well as some architectural and aerial photographs.

The fonds is in good physical condition.

Arrangement reflects the organization and activities of Jim Cameron and the various roles he played throughout his life, from academic and researcher to politician and councilor. Thus, the fonds is first arranged into two sous-fonds which reflect Jim Cameron's two major careers: his academic career as a professor of urban studies at York University and his political career as a councilor in the Town of Vaughan. Series in both sous fonds are then arranged by function; subseries and sub-subseries are arranged by geographical location.

Very little original order remained upon arrival of the fonds at the City of Vaughan Archives. For the most part, files, books, and individual papers were piled in boxes in a very haphazard way. Thus, an order had to be imposed upon the fonds. However, every effort was made to respect provenance and to duplicate the creator's original organization and thought patterns.

The fonds title is based on the contents of the fonds.

The fonds is closed; no further accruals are expected.

Part 2: Series Level Description

Academic Papers (MG 31/A/I)

Date(s) of creation 1949-1993
of record(s)

Physical Description • 107 cm of textual records.

Scope and Content Series consists of academic papers written by students at both the undergraduate and graduate levels. Subjects include the development of Vaughan as well as urban planning throughout Canada and the world. Papers were written by the students of Jim Cameron, Jim's colleague Dr. Ronald Bordessa, as well as various other professors from various universities around the world. Papers written by colleagues of Jim Cameron are also included.

Notes Title based on contents of series.

Administrative Materials (MG 31/A/II)

**Date(s) of creation
of record(s)** 1992-1998

Physical Description • 16 cm of textual records.

Scope and Content Series consists of maps of the York University campus, handbooks on tenure, promotions, and faculty and union agreements, and Jim Cameron's curriculum vitae.

Notes Title based on contents of series.

Photographs (MG 31/A/III)

**Date(s) of creation
of record(s)** 1980-1986

Physical Description • 1 photograph album
• 5 postcards.

Scope and Content Series consists of a photograph album commemorating the life and academic career of Jim's colleague, Dr. Ronald Bordessa. Postcards from Jim's trips to Africa and England are also included.

Notes Title based on contents of series.

Research Materials (MG 31/A/IV)

**Date(s) of creation
of record(s)** 1952-1998

Physical Description • 112 cm of textual records.

Scope and Content Series consists of journals, photocopied journal articles, photocopied newspaper clippings, reports, newsletters, magazines, and pamphlets that discuss various subjects within the context of urban planning and land use and which were used for Jim Cameron's academic research.

Notes Title based on contents of series.

Scrapbooks and Newspaper Clippings (MG 31/A/ V)

**Date(s) of creation
of record(s)** 1948-1994

Physical Description • 152 cm of textual records.

Scope and Content Series consists of scrapbooks filled with newspaper clippings that discuss various events, people, and places throughout Vaughan as well as subjects on communities and cities outside of Vaughan.

Notes Title based on contents of series.

Loose newspaper clippings are also included at the end of the series which are organized by subject and listed alphabetically.

Teaching Material (MG 31/A/VI)

**Date(s) of creation
of record(s)** 1953-1999

Physical Description • 20 cm of textual records

Scope and Content Series consists of course outlines, text books, exercise books, and program calendars which were used for the teaching portion of Jim Cameron's academic career.

Notes Title based on contents of series.

Annual Reports (MG 31/B/I)

**Date(s) of creation
of record(s)** 1935-1984

Physical Description • 61 cm of textual records

Scope and Content Series consists of annual reports of municipal statistics from 1935-1965 which report the populations as well as the monetary values of lands, buildings, businesses, and schools of many of Ontario's municipalities and communities, including Vaughan. Annual reports for 1951 and 1952 are missing. Series also contains annual reports from Vaughan's Engineering and Planning departments (1979-1984) as well as the Vaughan Public Library (1974, 1975, 1977, and 1978).

Notes Title based on contents of series.

Budgets (MG 31/B/II)

**Date(s) of creation
of record(s)** 1968-1985

Physical Description • 35 cm of textual records.

Scope and Content Series consists of budgets, expenditures, and financial overviews for Vaughan from 1968 to 1985.

Notes Title based on contents of series.

By-laws (MG 31/B/III)

**Date(s) of creation
of record(s)** 1948-1981

Physical Description • 36 cm of textual records

Scope and Content Series consists of Vaughan and Woodbridge By-laws as well as By-laws from King Township and the Town of Markham.

Notes Title based on contents of series

Correspondence (MG 31/B/IV)

**Date(s) of creation
of record(s)** 1947-1989

Physical Description • 87 cm of textual records.

Scope and Content Series consists of political correspondence between Councillor Jim Cameron and other Vaughan councilors, developers, and community members. Subject of correspondence includes the Official Plan of Vaughan, the Woodbridge annexation, sewers in Markham, Woodbridge, and Vaughan, proposed industrial areas, regional government, Canadian National Railways, and the general development of Vaughan.

Notes Title based on contents of series.

Handbooks (MG 31/B/V)

**Date(s) of creation
of record(s)** 1979-1990

Physical Description • 15 cm of textual records.

Scope and Content Series consists of Vaughan Information Handbooks from 1979 to 1990 which were published by the Town of Vaughan and usually contained: picture of Council members, photo of the Civic Centre or any newly completed building project, message from the Mayor, phone numbers for emergency services, dates and times of Council meetings, organizational charts, names and contact information for members of Council, map of electoral wards, summaries of local boards, commissions and committees, a map of York, list of local schools with contact information, information on the boards of education, information on members of Parliament at both the provincial and federal level, lists and contact information for facilities and services through the Town of Vaughan (such as daycare centres, places of worship, public libraries, parks

and recreation, and community centres and halls), maps of villages and communities, lists of festivals, and arts, cultural, sports, and special interest groups.

Notes Title based on contents of series.

Handbook for 1984 is missing.

Maps (MG 31/B/VI)

**Date(s) of creation
of record(s)** 1952-1997

Physical Description • ca. 315 maps

Scope and Content Series consists of maps delineating the development and planning of Vaughan during the latter half of the 20th century. Maps specific to the development of Kleinburg, Woodbridge, Thornhill, and Maple are also included.

Notes Title based on contents of series.

Photographs (MG 31/B/VII)

**Date(s) of creation
of record(s)** 1955-1990

Physical Description • 1 photograph album
• ca. 40 photographs

Scope and Content Series consists of photographs of the Town of Vaughan Council with Lorna Jackson as mayor and Jim Cameron as one of the councilors, historical buildings throughout the Town, and aerial photographs. Also included is a photograph album (1967-1974) created by the Engineering Department which illustrates the development of Vaughan and shows construction scenes and roadways throughout the Town.

Notes Title based on contents of series.

Speeches (MG 31/B/VIII)

**Date(s) of creation
of record(s)** 1960-1979

Physical Description • 35 cm of textual records

Scope and Content Series consists of speeches by political figures at the federal, provincial, regional, and municipal levels regarding urban planning, land use, and regional development.

Notes Title based on contents of series.

Indexes (MG 31/B/IX)

**Date(s) of creation
of record(s)** 1976-1985

Physical Description • 20 cm of textual records

Scope and Content Series consists of Town of Vaughan municipal name and street indexes. Indexes record the name of the individual or business and the property location as well as the codes for that address' neighbourhood, school, and voting poll. The municipal name index is organized alphabetically by the resident's last name or the business's name. The street indexes are organized alphabetically by street name.

Notes Title based on contents of series.

Urban Planning Subject Files (MG 31/B/X)

**Date(s) of creation
of record(s)** 1934-2001

Physical Description • ca. 18 m of textual records

Scope and Content Series consists of twelve subseries: Canada and the World, Markham, Niagara Region, Ontario, Oshawa, Parkway Belt, Peel, Pickering, Richmond Hill, Toronto, Vaughan, and York. Vaughan is further broken down into six sub-series including: Industrial Park, Kleinburg and Nashville, Maple, Planning

and Development, Thornhill, and Woodbridge and Pine Valley. Subjects that may be found within each of these subseries and sub-series include but are not limited to: development, environment, finances, government, housing, sewers, transportation, and waste.

Notes Title based on contents of series.

Voters' Lists (MG 31/B/Ia/XI)

Date(s) of creation of record(s) 1960-1966

Physical Description • 30 cm of textual records

Scope and Content Series consists of voters' lists for the years 1960, 1962, 1964, and 1966. As the official list of all the people in an electoral district who are eligible to vote, the voter's list contains the person's name, place of residence, marital status, occupation, and property number. Voters' lists are organized by community.

Notes Title based on contents of series.

APPENDIX A: FILE LISTS

Series MG 31/A/I: Academic Papers

Box 1

1. A Land Use Study of the Steeles Ave./Hwy. 7 Corridor (Western Section), [n.d.]
2. A Review of the Warntz-Neft System of Statistical Analysis for Areal Distribution, [n.d.]
3. A Survey of the Builders in the Bathurst/Steeles Area of Thornhill/Vaughan, [n.d.]
4. Changes in Land Use in the Environs of York University, [n.d.]
5. Distance and Directional Bias in Migration Patterns in Depreciating Metropolitan Toronto, [n.d.]
6. Distances within Shapes: An Introduction to a Family of Finite Frequency Distributions, [n.d.]
7. Explanation, Prediction, and Meaning Variance: An Assessment of Distance Interaction Models, [n.d.]
8. Land Use Study: Thornhill-Area, [n.d.]
9. Movement Patterns Associated with 'New Town Intown' Residential Development, [n.d.]
10. The Canada Land Inventory: A Critique, [n.d.]
11. The Community of Kleinburg: An Analysis, [n.d.]
